SECTION 7 Financial Information (must be completed for Patient Assistance Program [PAP] requests)

How many people live in your household? _____ What is your total annual household income?* _____

*Salary/wages, Social Security income, unemployment insurance benefits, disability income, any other income for the household.

To qualify for the myRARE™ Patient Assistance Program, I understand that I must meet certain income and other eligibility requirements. myRARE may ask for proof of income at any time for the purpose of audit/verification. If requested, I agree to provide proof of income within thirty (30) days of the request. Continuation in the program is conditioned upon timely verification of income. In addition, I agree to notify myRARE promptly if my insurance situation changes. I also agree that Regeneron Pharmaceuticals, Inc. and its affiliates, representatives, agents and contractors (together, "Regeneron") may verify my eligibility for the myRARE Program, and I understand that such verification may include contacting me or my healthcare provider for additional information and/or reviewing additional financial, insurance, and/or medical information. I authorize Regeneron to use my Social Security number and/or additional demographic information to access reports on my individual credit history from consumer reporting agencies for purposes of determining my income eligibility. I understand that, upon request, Regeneron will tell me whether an individual consumer report was requested and the name and address of the agency that furnished it. I further understand and authorize Regeneron to use any consumer reports about me and information collected from me, along with other information they obtain from public and other sources, to estimate my income in conjunction with the Patient Assistance Program eligibility determination process.

SECTION 8 Authorization to Disclose/Use Health Information

Please read the following carefully, then date and sign where indicated in Section 1 on page 1.

I authorize my healthcare providers and staff ("Health Care Providers"), my health insurer, health plan or programs that provide me healthcare benefits (together, "Health Insurers"), and any specialty pharmacies ("Specialty Pharmacies") that dispense my medication to disclose to Regeneron Pharmaceuticals, Inc., and its affiliates and agents (together, "Regeneron") health information about me, including information related to my medical condition, treatment with EVKEEZA™ (evinacumab-dgnb), health insurance coverage, claims, prescription, and referral to and enrollment in the myRARE™ Program (together, "My Information"). My Health Care Providers, Health Insurers, Specialty Pharmacies, and Regeneron may use and disclose My Information for the purposes of providing certain support services, including:

- To determine if I am eligible to participate in myRARE reimbursement and coverage assistance program(s), Patient Assistance Programs, and other support programs (together, "myRARE Program");
- For the operation and administration of the myRARE Program;
- To investigate my health insurance coverage benefits;
- To obtain prior authorization for coverage/reimbursement;
- To assist with appeals of denied claims for coverage/reimbursement; and
- To refer me to, or to determine eligibility for, other programs and/or alternate sources of funding—such as Medicaid, healthcare exchanges, Medigap, state pharmaceutical assistance programs (SPAPs), and charitable foundations—that may be available to provide assistance to me with the costs of my medications.

I understand and agree that my Health Care Providers, Health Insurers, and Specialty Pharmacies may receive remuneration from Regeneron in exchange for disclosing My Information to Regeneron and/or for providing me with support services in connection with EVKEEZA or the myRARE Program. Once My Information has been disclosed to Regeneron, I understand that federal privacy laws may no longer protect it from further disclosure. However, Regeneron has agreed to protect My Information by using and disclosing it only for the purposes authorized in this Authorization or as otherwise required by law. I understand that I may be contacted by Regeneron in the event that I report an adverse event. I understand that if I refuse to sign this, I will not be able to participate in the myRARE Program, but it will not affect my eligibility to obtain medical treatment, my ability to seek payment for this treatment, or my insurance enrollment or eligibility for insurance coverage. Furthermore, I understand that I may withdraw (take back) this Authorization at any time by mailing, faxing, or emailing a written request to myRARE at 1107 Nicholas Blvd, Elk Grove Village, IL 60007; fax: **1-877-EVKEEZA** (1-877-385-3392); email: unsubscribe@regeneron.com. Withdrawal of this Authorization will end further uses and disclosures of My Information based on this Authorization made before my request is received and processed by my Health Care providers, Health Insurers, and Specialty Pharmacies. This Authorization expires 18 months from the date support is last provided under any myRARE Program, subject to applicable law, unless I withdraw it earlier. I understand that I may request a copy of this Authorization.

I agree to my enrollment in the myRARE Copay Program if confirmed as eligible, understand that copay information will be sent to my physician or the designated specialty pharmacy, and understand that any assistance with my applicable cost-sharing or copayment for EVKEEZA™ (evinacumab-dgnb) will be made in accordance with the Program terms and conditions. If I am applying for the Patient Assistance Program (PAP), I confirm my agreement with the conditions set forth, and certify that the number of people in my household and my household income are true and accurate to the best of my knowledge. If I am approved for the PAP, I certify that no claim for reimbursement will be submitted to any third-party payer for product I receive at no cost while I am enrolled in the Program. If I am enrolled in a Medicare Prescription Drug Plan, I acknowledge that the value of any free product I receive cannot be counted toward my True Out-of-Pocket (TrOOP) expenses and that Regeneron will notify my plan of the assistance received through the PAP. I authorize Regeneron to contact me by mail, telephone, or email with information about the Program, my condition, promotions related to EVKEEZA, services, and research studies, and to ask my opinion about such information and topics, including market research and disease-related surveys. I further authorize Regeneron to use my de-identified information for performing research, education, business analytics, marketing studies, or for other commercial purposes, including linkage with other de-identified information Regeneron receives from other sources. As described in the Authorization to Disclose/Use Health Information, I understand that members of Regeneron may share health information about me, including information related to my medical condition, treatment with EVKEEZA, health insurance coverage, claims, prescription, and referral to and enrollment in the Program (together, "My Information"), with one another for these purposes and as needed to perform the Services or to send the communications listed above (the "Communications"). I understand that I do not have to enroll in the Program or receive the Communications, and that I can still receive EVKEEZA, as prescribed by my Health Care Providers. I may opt out of receiving Communications, individual support services offered by the Program, including the myRARE Copay Program, or opt out of the Program entirely, at any time by notifying a Program representative by: calling **1-877-EVKEEZA** (1-877-385-3392); sending a letter to myRARE, 1107 Nicholas Blvd, Elk Grove Village, IL 60007; faxing **1-844-RAREFAX** (1-844-727-3329); or emailing unsubscribe@regeneron.com. I also understand that the Services may be revised, changed, or terminated at any time.
